Acceptable use of APNIC whois data

Except for Internet operational purposes approved by APNIC, no part of the APNIC whois data may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, recording, or otherwise, without prior permission of APNIC on behalf of the copyright holders. Any use of this material to target advertising or similar activities are explicitly forbidden and will be prosecuted. APNIC requests to be notified of any such activities or suspicions thereof.

The APNIC whois data may not be passed on in bulk to any other person or organisation unless approved by APNIC.

Your request will be evaluated on the basis of the following statement of purpose.

Statement of purpose

Please fully describe how you will use the data in the APNIC whois data.

Access method

Please indicate how you plan to access APNIC whois data: Near Real Time Mirror (NRTM), FTP, or multiple query. Please note that if you wish to make multiple queries, you must specify which IP address you will be using so that APNIC can unblock access via this address.

By signing this form you agree to the terms of acceptable use of the APNIC whois data.
